ALL-COUNTY INFORMATION NOTICE I-33-82

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: FOSTER CARE INFORMATION SYSTEM - MICROFICHE REPORTS

REFERENCE: ACIN I-10-82, JANUARY 22, 1982

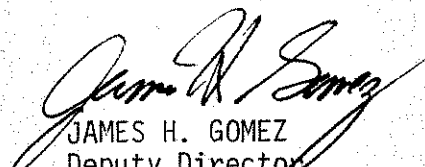

Phase II of the Foster Care Information System will provide counties with two reports listing those children currently receiving Foster Care at the beginning of the month with a mid-month report of any changes. One report will be statewide, by name, in alphabetical order with corresponding case numbers and additional information. The other will be a county specific listing using case number sequence with other locator information. Both of these report listings will be on microfiche. (For further detail see ACIN I-10-82, January 22, 1982.)

Before implementation of the Foster Care Information System - Phase II, it is necessary for the Department of Social Services to know how many of these microfiche reports each county requires. The required number of copies for each report must be identical.

Please contact Mel Uchida by mail or phone by April 2, 1982, with your order and any other questions. Telephone requests may be made by calling the Statistical Services Branch at (916) 322-5462 or (ATSS) 492-5462. Mail requests to:
